Emergency Preparedness

# *KNOW WHEN TO*
ESC in EMERGENCIES

ESCAPE
Know when to escape, where to escape, and whether you or someone else needs assistance leaving the building

SHELTER
Know when to shelter, how to barricade, and whether you or someone else needs help accessing the shelter location

COMMUNICATE
Know when to communicate, how to send and receive information, and how to call emergency resources
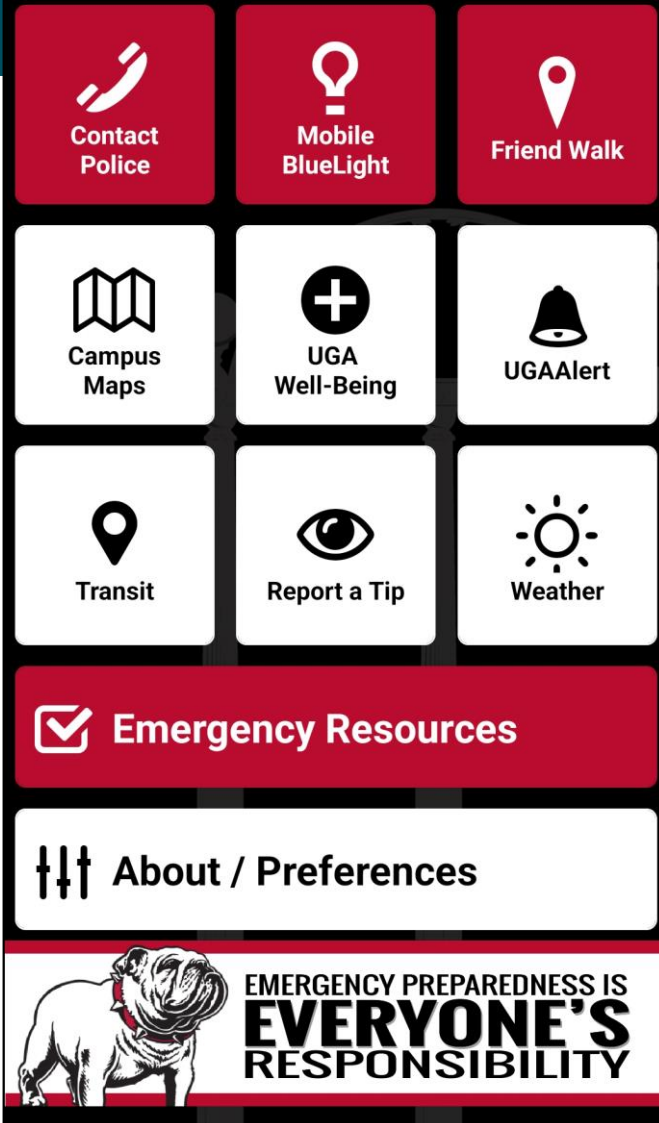

UGA Safe App

The UGA Safe app features:

- **Mobile Bluelight** - Share your location and call the UGA police. Your location sharing stays on while you move so the police know your location

- **Friend Walk** - Send your location in real time to a friend so they can watch as you walk to your destination

- **Chat with UGA Police** - Initiate a chat session with the UGA Police when calling may not be possible.

- **UGA Alert Notifications** – Enable push notifications to receive UGA Alert emergency messages through the app.
