Notes:

The programs listed above lead to a Georgia Initial Certification. Visit the [Georgia Professional Standards Commission](https://www.gapsc.com/Certification/CertificationLicensureAssessments/contentAssessments.aspx) for more information. The Georgia Professional Standards Commission has reciprocity with all 50 states and D.C. Reciprocity does not mean that there may not be additional requirements for certification. The MFE College of Education has not determined where its programs will qualify a graduate to take the required exams in other states. GACE Exams for some programs are required for certification but are not required for UGA graduation. For more information on GACE visit the GACE site at <https://www.gapsc.com/Certification/CertificationLicensureAssessments/contentAssessments.aspx>.
