Notes:

To become a music therapist, our students must pass the national certification exam given by the Certification Board for Music Therapists. One of the requirements to sit for the board exam is to complete a music therapy program approved by the American Music Therapy Association. UGA is an approved music therapy program by the American Music Therapy Association. Click on the link below to get specific information about your state:

<https://www.cbmt.org/candidates/certification/>

To be licensed in GA, you must show proof of holding the MT-BC credential that is given after passing the Certification Board for Music Therapists' board examination.
