

UGA TENURE CLOCK CALENDAR

Note: The fall semester that includes the PTU, school/college, and university-level reviews marks the beginning of a year that counts toward all time-in-rank calculations.

| Appt Year | 3rd Year Review | Fall 5th Year <i>(Earliest Year of Promotion & Tenure Eligibility)</i> | 6th Year | 7th/Terminal Year | Terminal Year with 1 Yr Extension | Terminal Year with 2 Yrs Extension |
|--|--|---|---|--|---|--|
| To calculate years in rank for faculty appointed <u>in the middle of an academic year prior to AY 2015-2016</u> , please contact the Office of Faculty Affairs.* | Spring Semester of 3rd Year (Assistant Professors Only) | The first year a candidate is eligible in the standard timeframe for promotion and/or tenure consideration is the fall of the 5th year. | If not turned down for tenure in 5 th year, must be reviewed for tenure this Fall unless the candidate, PTU head and dean request delay to 7 th yr in writing, and that request is approved by the Provost in spring of the 5th year. If reviewed for P&T, preliminary consideration is in prior spring semester. | In fall semester, will receive contract non-renewal letter for following year. Preliminary consideration in prior spring only if 7 th year review was approved by Provost at end of 5 th year; if approved for tenure (& promotion, as applicable) during 7th year, the contract non-renewal will be null & void. | Use of extension year is optional. Preliminary consideration in prior spring semester unless candidate requests in writing not to be reviewed. In fall semester, will receive contract non-renewal letter for following year. If approved for tenure (& promotion as applicable), the contract non-renewal will be null & void. | Use of extension years is optional. Preliminary consideration in prior spring semester unless candidate requests in writing not to be reviewed. In fall semester, will receive contract non-renewal letter for following year. ***Beginning in the 2015-2016 academic year:**

- Faculty on academic year contracts must be appointed on or before the beginning of fall semester for that year to count towards year in rank.
- Faculty on fiscal year contracts must be appointed on or before the beginning of spring semester for that year to count towards year in rank.

Prior Credit - Must be awarded/approved by the Provost on initial appointment. Use of prior credit years by the candidate is optional.

- If 3 Yrs Prior Credit Awarded - Can receive preliminary consideration in spring at end of first year of initial appointment.
- If 2 Yrs Prior Credit Awarded - Can receive preliminary consideration in spring at end of second year of initial appointment.
- If 1 Yr Prior Credit Awarded - Can receive preliminary consideration in spring at end of third year of initial appointment.
