THIRD-YEAR REVIEW FOR UNTENURED, FACULTY ON TENURE-TRACK

Occurs at the end of the 3rd year in rank (at the end of spring semester).

If an untenured, tenure-track faculty has 1-3 years credit towards tenure, and is considered for P&T in the 3rd year of appointment, preliminary consideration for P&T will replace the 3rd year review.

Non-tenured faculty in their 6th probationary yr and who have not been turned down for tenure in their 5th yr must be reviewed for tenure unless they request in writing not to be reviewed. Such requests should be submitted with department head and dean approval to the Provost, via the Office of Faculty Affairs, by May of the 5th year in rank.

Beginning in the 2015-2016 academic year:

- Faculty on academic year contracts must be appointed on or before the beginning of fall semester for that academic year to count towards year in rank.
- Faculty on fiscal year contracts must be appointed on or before the beginning of spring semester for that spring and summer to count towards year in rank.
